- Westpreussen

## Instructions:

1. Type in the following link <http://kartenmeister.com/preview/databaseuwe.asp> . This will take you to the homepage for this site.

2. Scroll down the page till you come to the search fields which look like the illustration below:

German City Name/Ortsname:	<input type="text"/>
Polish City Name/Ortsname:	<input type="text"/>
County/Kreis:	<input type="text"/>
German Province/Provinz:	<input type="text"/>
Polish Province/Provinz:	<input type="text"/>
Closest German City/Ort:	<input type="text"/>
Closest Polish City/Ort:	<input type="text"/>
Family Name:	<input type="text"/>
How Many Results Per Page?:	<input checked="" type="radio"/> 10 <input type="radio"/> 20 <input type="radio"/> 50 <input type="radio"/> 100

3. In the above screen you can search for your location by typing a location in the first three fields. By using the first line enter the German place name to determine the Polish place name.
4. By typing in the second line, you must know the Polish or foreign name to determine the former German name.
5. The third field will require the German county name to determine all the locations within the requested county or Kreis.
6. Type in the locality "Tost" in the first location search field. The click on "search".

**There are 2 records that match your search criteria.**

German Name	County/Kreis
<a href="#">Tost</a>	Gleiwitz
<a href="#">Toste 1561</a>	Gleiwitz

7. The above list of localities were found. They are both located in the same county, which is given in the County/Kreis field.
8. Click on the first location and the following results will appear. These are important fields to be aware of:
  - a. Polish or Russian name
  - b. German or today's province
  - c. Google map link
  - d. Parish locations and civil registration office location (during 1905)

13. You can do a “beginning letter” search as well by typing in the first letter of the German place name. All the places that start with that letter will appear.
14. You can do a “beginning letter” search by typing in the first letter of the Polish place name. However, your results may not be as expected. The places will come up with the former German place name and in German alphabetical order.
15. You can add your name to the list of people searching in a particular town by using the option at the bottom of your locality results page. Search for your town and when you have the information page, go to the bottom of that page. It will look like this:

City	Wischnitz
Email Address	<input type="text"/>
Family Names	<input type="text"/>
<input type="button" value="Submit"/>	

16. When adding your family names type the name followed by a comma and a space and then continue with the next family name. You can add as many names as you wish, by adding the comma and a space after each name.
17. Another nice feature of this website is the ability to locate your place on a current Google map. Simply click on the link that says Google Maps as shown below.

German Name	Waldenburg
Polish/Russian Name	Dwornica
Kreis/County	Lauenburg
German Province	Pommern
Today's Province	Pomorskie
Location	East 17°44' North 54°22'
Google Map	<a href="#">Google Maps (Waldenburg)</a>
